

Charlie B. Hernandez

December 4, 1982 - July 8, 2015

Charlie B. Hernandez passed away peacefully on July 8, 2015 at the age of 32 years old. He was born in Arlington, VA, December 4, 1982. As a young boy, there were only two things he wanted to be when he grew up, a pilot or engineer. Charlie pursued engineer and received a bachelor's degree in Architectural Engineering from the University of Miami. He was an avid reader that included Roman literature and poems. He loved everything Italian and spoke the language fluently. Charlie always followed his passions, whether it was learning to play the guitar, meeting with family or friends, keeping up with his collection of DVDs or music, and travel -he lived his life to the fullest. He embraced his Hispanic heritage believed that without education he wouldn't have felt free to open the windows of opportunities afforded to him. He always admired my parents for their sacrifices and dedication. Charlie volunteered in the community because he felt the need to do more. He wanted to make a difference to help others that led him to being active in political efforts. He joined the Fairfax Democrats and was supportive in many meetings and committees.

Charlie is survived by his devoted parents, Reinerio Hernandez and Maria C. Hernandez, loving sister Jeanette Carvajal and extended family and friends. Beautiful son and dearest brother-there was so much more to accomplish, but God called on you. When my parents and I meet you one day, we know that you will have continued and completed all your plans. We love you Charlie, you touched everyone's heart and will be missed, but will live in our memories

forever.
