“ *I am so sorry for the loss of such a wonderful friend. He has been a member of my family longer than I have. He will not be forgotten within our family. I remember one time, my mom told me I could not have any more sunflower seeds because they were hurting my teeth. Bobby said come on Shannon, let's go to the store, I came home with 2 bags of sunflower seeds! My mom was so angry!! I love him, and will always remember him. My family is blessed to have had such a great person in our lives!*

“ My memories of Bobby span most of my life time. He was a constant source of happiness to me. I remember as a child he took us shopping all the time and bought me and my sister literally anything we wanted, much to our mother's dismay. As an adult I visited DC on buisness several times and he would spend his evenings driving me to all the sites of interest. We talked, acted silly, made fun of everything...he was like no other person I've ever known. I'm truly blessed to call him friend. I will miss his obscure messages on my voice mail, I will miss his funny bus driver stories, I will miss his genuine smile. I am bitterly sad. The world feels so different to me now. I love you Bobby, you are and will always be missed.

“ Such a sad day! Such wonderful and great,funny adventures and good times i had with this close friend covering more than 30 years. Sometimes a friend seems to be just like part of the family, and that was never more true than with Bobby.We are sure he shared with us the true love all of us felt for him. Bobby will be sorely missed, and forever remembered for the times we all shared with this great and wonderful man. May you eternally rest in peace, my great friend and brother.

“ I just learned of Bobby's passing. As I type my eyes are filled with tears and my heart is broken. My whole family loved Bobby very much, all 3 generations of us. He has been part of my life for over 30 years and I will miss him very much. My thoughts and prayers go out to the family.
