*Tom and Torie,*

*My heart goes out to you both as I have been lifting you up in prayer. We know that Cherie is with our loving Father, and her pain is gone, but those who are left behind must travel a difficult road. My prayer for you both is for strength in your faith and acceptance of the process through which healing will come in time. Know that you are never alone, and Cherie's love for you is as eternal as our Lord's.*

“ Dear Tom and Torie,  
Our hearts are broken for you as we grieve with you in your loss and the tough days ahead. We are so blessed to have known Cherie; our time with you both in Bible study and church in Virginia was precious and joyous. We look forward with great expectation of joy to the day of reunion with Cherie and all our brothers and sisters in Christ! May God pour out abundant strength, peace, and blessings as you continue to live for Him, following Cherie's example of faith.

“ Dear Tom and Torie,  
Everyone who knew Cherie knew her faith in God and her overwhelming strength and kindness. We are all so blessed for having her in our lives, no matter for how long or short. I always considered her a dear friend and she was never far from my thoughts, even though we lived across the country from each other. She will be missed and remembered fondly. My prayers to you and your entire family.  
With love,

“ Dear Tom and Torie,

*It is with sadness we mourn with y'all today. Sherry and I have fond memories of you while we were living in northern Virginia attending Calvary Christian Church.*

*We celebrate a life well lived through faith in our Lord Jesus. We will all be gathered at the river one day praising Jesus with the heavenly host. No more tears or suffering for Cherie she stood tall in her faith and inspired many of us from a distance.*

*Love and prayers*
