“ 언니야. 하늘나라에서 살기 좋지? 걱정근심없이  
맘 편히 지내고 있을거라 믿어.  
여긴 코로나 바이러스라는 질병이 생겨 여러  
생명을 벌써 많이 데려갔어.  
정말 무섭고 힘든 나날을 보내고 있어.  
언니야 엄마는 힘든 모든 과정을 끝내고 잘 지내고 계셔 오빠 또한 많  
이 아팠는데 이제는 안정을 찾고 잘 지내고 있어. 항상 언니가 우릴 지  
켜보고 있을거라 생각해. 언니한테는 항상 고맙고 미안함뿐이야.....  
보고싶다 언니 ♡

“ Happy birthday my beautiful mommy! I miss you so much. I catch myself trying to call you all the time and tell you things that have happened. I know it is selfish I just wish you were still here with me. Rest in peace my beautiful mother. I love you now and forever.

“ I met Lee 30 years ago at a Christmas party when she was pregnant with little Steven and little Tanya in her arms. From that day on she was my best friend. What I loved most about her was her capacity to love without judging. People instinctively gravitated towards her wherever she went. She loved her family and doted on her children but always gave them their space. She was wise beyond her years and a patient listener who made you feel special. We were special because she was in our lives and she didn't even know it.  
Lee always said be good to yourself because you only have one life. I love you, my sister. Rest in peace for I know we shall see each other again.

“ Cheng Pun Feltner, know to me as Lee, was the kindest soul, who always was helping someone. She would give someone her shirt off her back " I have seen her do this very thing". She was one of God's angles here on earth. She loved both sides of her family so much. My brother as I an many others will miss her.  
Lee this is your time to rest an let by his side, we know you will always be watching.  
I love you my previous sister n law.

Love's Tapestry - March 30, 2018 at 12:00 AM

“ My mother was kind, gentle, strong, and had the biggest heart. She loved unconditionally and she was the easiest person to love. I can only hope to be just like her. I called her everyday just to hear her voice and tell her I love her. I know she would get annoyed sometimes because I would call her at the weirdest hours we could never manage to be in the same time zone. She undoubtedly left her mark on this world because she left her mark on every single person she met. I am so happy and blessed to know she was loved by so many. Mom, I love you now and I will love you forever. I will do my best to make you proud.
