“ *Robyn and Family We are very sorry to hear of the loss to you and your family*

April 06, 2009 at 12:00 AM

“ *Dear Chris, Robyn, and Rene, Words cannot express what we are feeling today. Although we did not see your Dad often, he was very much a part of our life. Mike has so many wonderful stories of their times together in the Navy and I have enjoyed the many times that I spent with Chris. He was a special man and we loved him. Our thought and prayers are with you all. Love Rose and Mike Cristo*
