“ You had a way of being in the world with others that radiated an immense capacity to keep it real while at the same time showing loving kindness and great compassion. In our lives it is so rare to meet people like this, like you, that can see us whole and not pass judgement. It is such a precious gift that you gave freely to all who knew you, that you gave to me each time we met. Thank you Chrissy. Love you always, Sean

*“ I was truly blessed to have you as a friend. You are such a strong, honest and loving person. Thank you for always being there to listen to me and all your honest advice you always gave me. I always looked forward to Wednesdays when I was working at the bowling alley because I knew no matter what mood I was in, you would make me laugh and put a smile on my face. I really respected how much you loved your family and no matter what, you were always there. You are truly a very special person and I will miss you so much! I thank God for bringing such a wonderful person into my life. You will be truly missed and always loved!! Rest on Peace my friend!!*

I have never know a woman who is and was as strong and as loving as you. You are now a very special angel in Heaven, even though you are missed beyond belief we all are so grateful that you are not suffering any longer, I love you and I will see you again but untill then Rest In Peace Beautiful lady!!*

*“ My Darling Christopher, I'm going to keep this short and sweet before you interrupt me and tell me how wrong I am! I love you more than you'll ever know, you were a better Aunt to Becca than the ones that are related by blood to her, an awesome sister of the heart to me and watching how you loved and gave every single person around you a chance and took care of us all - I just admire, love and treasured my time with you. See you on the other side sassy - I miss you so much!.....Virg*

“ i never believe in spell casting, until when i was was tempted to try it. i and my husband have been having a lot of problem living together, he will always not make me happy because he have fallen in love with another lady outside our relationship, i tried my best to make sure that my husband leave this woman but the more i talk to him the more he makes me fell sad, so my marriage is now leading to divorce because he no longer gives me attention. so with all this pain and agony, i decided to contact this spell caster to see if things can work out between me and my husband again. this spell caster who was a woman told me that my husband is really under a great spell that he have been charm by some magic, so she told me that she was going to make all things normal back. she did the spell on my husband and after 5 days my husband changed completely he even apologize with the way he treated me that he was not him self, i really thank this woman her name is Dr Aluta she have bring back my husband back to me i want you all to contact her who are having any problem related to marriage issue and relationship problem she will solve it for you. her email is [traditionalspellhospital@gmail.com](mailto:traditionalspellhospital@gmail.com), she is a woman and she is great. wish you good time.

“ My sister, where do I even start? I will say thank you, thank you for being brutally honest, hilarious, loving, crazy and above all my friend for so many years. Tears will not help the pain I feel right now, so I am choosing to remember all the wonderful years God gave me with you in my life. I love you beyond words and I will miss you everyday until we meet again. Rest easy sister of my heart, and thank you for everything. To the rest of the family, I will always be here for you. I love you all. Pam
