“ Chris was a wonderful friend and neighbor. He always had a big heart. Who else would have a hedgehog as a pet? Chris and Chris had a great time dirt biking and giving each other grief. And Grace, telling Chris he better not lose Heather! He is greatly missed.

“ Chris always had such a warm welcoming smile always and I best remember when I was moving overseas he offered right away to store anything I couldn't take and there was more than I realised, but he didn't mind. He was always there to offer support and any helpful suggestions. What I will always remember and never will forget about Chris is how beautiful at heart he was.
