“ Clayton (Lee) was one of my absolute favorite patients. He had been with us for nearly ten years. He always brought sunshine with him when he was in our office. He used to challenge me each time with “How are you feeling today Dr Smith. I hope you’re feeling good ‘cause I don’t want you workin’ in my mouth today if you ain’t feelin’ good!” His wife and lifetime partner Teresa really loved him and I am sure it will take a while for her to recover. She was his rock and he certainly made sure everyone knew it. They went to Key West for a break after a friend of his had passed with her flying down to meet him because he insisted on driving all the way to the southernmost tip of Florida from Virginia. He told me he needed time to think. He was a great man and will be missed by all.

“ We were very sorry to hear about Lee. Our backyard in Colonial Beach backs to Lee's, and we always saw him out there mowing that lawn and very politely ignoring our barking dogs. He always had a smile and a wave for us, we will miss seeing him around town.

“ I can remember Lee coming around for just as long as I can remember...he was my dads Best Friend! Lee would always be there for anyone, day or night, without hesitation. He was always there for my dad, and continued to check in on my mom and us regularly, as he made a promise to his best friend that he would. That was Lee...if he made a promise, he stuck to it ❤️. We miss you Lee. This is a sad time for us all. You will be missed. Love ~ Youngin' and Ethan Suddarth

*Teresa and family. I want to say that Lee was a very hard working, loyal, and kind soul. He did so many tasks for many friends and family asking nothing in return.. I am so sorry for his passing and I am proud to call him my friend. He will be missed very much.*
