“ In one of my tours as a salesman with Sperry Univac, Clyde was my Branch Manager. He was a great mentor, always outgoing and cheerful. My condolence to Clyde's family and relatives and join Clyde's many friends and acquaintances in our immeasurable sadness felt in learning of his passing.

“ At the end of a management seminar in Hudson Bay, Wis, Tony Desantis asked me to meet with him in his office Monday morning. Long story short, Tony introduced me to Clyde as the new Army Account Rep, the start of a very successful relationship. He guided me through many successful endeavors with his expertise of organizational skills

“ Clyde Spray was a true professional. He allowed me to start my systems career as a Autodin Region coordinator in the DC area. Many new installation were purchased by the ARMY, over 200 DCT9000 systems, which were implemented by the RAT pack. He and his staff made many contributions to the Sperry Univac Corporation. He will truly be missed. Deepest Sympathy.

“ *Clyde Raymond's family: I'm so sorry for your loss. I went through a similar situation and I was very helped by the hope that I found in the Bible in John 5: 28, which says, "Do not amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out". I am sending you a link with more information on this hope. <https://www.jw.org/en/publications/magazines/awake-n03-2018-nov-dec/>*
