“ *Your parents were one of my favorite people and were my dear friends. I miss them both. I am happy I was able to see your dad at your mom's gathering, funeral services, burial and following reception. He looked strong and vibrant as usual despite his failing health. I know both your parents loved everyone in your family and was proud of each and every one of you. I trust you will cherish the memories of those two wonderful people, as I will. We shall meet again in Heaven one day. God bless you all.*
