“ *We were so sorry to learn of Connie's passing. She was a great friend from William and Mary days and beyond. Elaine and I shared happy hours with her and Nate in Mississippi, New Orleans and Arlington. zichrona livracha*

“ *Your mom was so kind to think of us and our children many times this past decade. Whether it was a phone call to Leah warning us about a weather event, an offer to come over and do laundry after a multi-day power outage, or a children's book or toy that she'd come across while cleaning house, your mom showed her love and concern numerous times. Our thoughts and prayers are with your family now. Love, Laura, Keith, and the twins.*

“ Constance was a classy lady and a teacher. As I am myself married to a teacher for over 39 years I know how much each teacher puts into their work and their students. It pays dividends a thousand times over for those students. She is blessed for that and we are blessed for having known her. Warm regards, Wes Burnett

“ I will always remember Mrs. Cohen's graciousness to me and how she welcomed me into her home when I was a college student. I also remember how she would read so avidly. She was an inspiration to me. My thoughts and prayers are with all of her children.

“ I remember Leah's mom as a funny, kind, and very smart woman. She and Mr. Cohen raised three amazing kids, and I'm sure Leah and her brothers and the grandkids were the true joys of her life. It is always hard to lose your mom...Leah, Mitch and I send you hugs and love and we are sorry for your tremendous loss. Love to you all, Liz Blair
