“ *I am devastated beyond words hearing about Craig's passing. He and Cindy were part of my family for many years. And yes Cindy will always be a part of our family with just a missing link Craig. He was a kind and gentle soul. We will miss him dearly. May God be with the family now and always.*

“ Craig's kindness will not be forgotten. My neighbor, Craig, was a kind gentleman who would always speak, and never turn down a warm homecooked meal. I miss him. We lived next door to each other for 10 years, and since day one, Craig would cut the grass for us because he knew my then husband was deployed. He said "cutting your grass is my gift to you. You should not have to worry about that." I recall the smile that came to my face and how humbled I felt due to Craig's kindness and generosity. He was and had been a blessing to me and my family since day one, and Craig's kindness will not be forgotten. May God see Craig home. May God grant the family peace during this difficult time. Your in my prayers and concern.
