“ *Cindy - I always used to get annoyed at dad always saying "Cindy" instead of "Lindsey" when I was younger. But now older and clearly wiser I know it was only because you are such an important and special person in his life. I feel lucky to have spent the times I did with you. You taught me more than you would ever know.

“ Though we need to weep your loss, you dwell in that safe place in our hearts where no storm or night or pain can reach you. May you continue to inspire us to enter each day with a generous heart. To serve the call of courage and love until we see your beautiful face again in that land where there is no more separation, where all tears will be wiped from our mind, and where we will never lose you again.

“ *Light is not recognized except through darkness.
After this journey through the dark, you'll find the path once again
where light still shines.*
Proverbs 3:5-6
*Trust in the LORD with all thine heart; and lean not unto thine own
understanding. In all thy ways acknowledge him, and he shall direct
thy paths. Rest in peace and free from pain, Dear Cindy.*
