“ This photo was taken a Thomas Edison High school with our food service teacher. From left to right is Kelly Thomas Me Janet Tyler (Franklin) and Cindy . We had so much fun in school together laughing. Skipping class going over to the McDonald’s across the street. She spent the night with me and pierced my ears such good times . I wished I had found her on Facebook while she was still living in Stafford were I live . But thankful we found each other’s to laugh about the things we did in school in mid (70s) . You will always be in my thoughts as my high school best friend. I know you are with your love ones I will find you when I get there to laugh and talk. I pray for your family to find peace in your loss 🌹

“ Cindy was such a special friend to me for many many many years. Part of our family for sure. Her love was genuine and she had a heart of gold . So many memories that I will forever cherish. She suffered a long time and she fought hard. She is no longer suffering and will spend eternity with God. I’m praying for her family and friends during this difficult time. Love you Cindy. 💕💕
