“ *What a wonderful memory*

February 16, 2018 at 12:00 AM

“ I have so many memories of this wonderful man who was like a brother to my dad and an uncle to me. 1 in particular, a bat had flown into our house. Dad and I ran into the yard, leaving mom in the house, screaming "Ray, there is a bird in here", we trapped it in the bathroom, not knowing what to do. The very next morning Dale walked in ready for work, took a steak knife walked into the bathroom, stabbed it and took it outside. He returned to announce he was *The Exterminator*. Our family loved him very much. I know my dad was right there to greet him. The streets of gold may never be the same with these two together. We love and miss them both.....until we see you again!

“ My favorite memory would be after Dale built that family cooker out back of his mom and dad's home on Overly Drive. Watching him with Denise and Dondi brought so many smiles to his face. Gosh, how he so loved those two children, and his family always came first as the years went by...I cherish those times and the many times his brothers and I spent together as we built memories. One day I hope we all have that big picnic in heaven as we reminisce the days of old. They were a hoot! As June would say in her Pennsylvania Dutch, don't forget to *OUTEN THE LIGHTS!* Rest in peace my dear friend and let her take your hand in hers and lead you to our Lord. I feel sure by now you have seen His Shining face and all those questions you had have been answered! Love you , Ronnie, Carol and Ron Jr.
