“ *I was his mom in heart. I have never served another person 6 eggs, 4 slices of toast, 1/2 lb of bacon, 3 glasses of milk at 11 o'clock at night for anyone else, probably never will. But he ate every bite and I put him to bed. He was such a great hearted person. All of my family loved him, especially my son.*

*I am sending our deepest condolences. Our prayers and sympathy go to the family for your loss. We will miss him.*
