“ Dear Nancy & Family - I was shocked to hear of the news this morning. When you hear Dan's name, you immediately think of his kindness, that wonderful smile and how he always made you feel welcomed and a part of things. He was my first boss back in high school and I've been blessed to know you Nancy since high school and the children as you arrived and lit up your Dad's life and heart. I am just so deeply sorry. Please let me know if you need anything. All my love, Karyn
