“ *David,*  
*Our family fought the best fight to give you what you deserved to have in life; you crossed the River into the loving arms of God before we give you what you deserved which was all that your heart's desired which wasn't much: meek, humble, kind, smart, loving. I hope you were watching when we celebrated your life with incense and prayers and many many friends who attended your funeral.*  
*I look forward to seeing you on the other side of the Rainbow.*  
*All our Agape Love, in Christ, Isabella Kempf Hale, John Kempf and Joseph Kempf*
