“ *I'm so grateful that have you came and stayed at our house over the summer and that we got to see you. You were such a sweet, kind and handsome young man. We watched you grow up and shine. You even put up with with my boys when they wanted you to play video games with them when you didn't have to. They were in awe of you. It seemed like you magically grew up overnight and that it all happened so fast. Please watch over your Mom, Dad and family and give them some peace. We love you Dean and will never forget you. Save us a seat and we will see you soon <3*

“ I am thankful I had the opportunity to meet Dean when he started kindergarten at Gunston Elementary, seeing him grow up all through his elementary school days and the last couple of years as a high school student at South County High School.

I will always remember how excited he was every time he waited for his dad in the office knowing he was going on some hunting or fishing trip with him. He was always very sweet and respectful. I was so happy when I saw that he was at South County. He was still just as sweet and polite.

He will be missed by so many. My heart goes out to his parents, his brothers, and his whole family.

“ *I had the honor and pleasure of being Dean's music teacher during his elementary years at Gunston Elementary. Dean is remembered by his teachers and school as a happy-go-lucky kid who "always brightened a room with his smile and loved to tell of his latest hunting or fishing expeditions. ♦♦ Dean cared about his community and stayed active giving back to the Gunston Elementary School community by volunteering and helping with school musicals. Please know that the Gunston community mourns the loss of this soaring eagle. Gunston Elementary will never forget Dean, his memory will be with us forever!! #onceaneaglealwaysaneagle*
