“ *We extend our sincere and loving sympathy to Debbie's children and to her mother. We have beautiful memories of the times we were able to be with Debbie and know she was a wonderful and talented niece. We are praying God's blessings for the family. Our love, Aunt Beth & Uncle Neil Hamilton*

“ *I am lucky enough to call Deb's (or, as I like to call her, Mama G)daughter Helen my best friend. Mama G has always been involved with our crazy antics - from making music videos to running around Disney World as Princesses to watching Rocky Horror Picture Show. While I miss her dearly, I know she is looking down on us watching out for her Princesses.*

“ *Gave me a great welcome into the Cousrier Service while in training. Treated me as a real person not some student. I will miss her.*

“ *Glass Family: You mother was a very special person, who I really admired. My favorite memories of her were when we would stop to chat when coming home from work or at the mail box and she would talk about what you were all up to-she was really proud of all of you. I send all of my best wishes your way.*

“ *Glass Family, Deb and I were classmates in the Class of 2001 at the Army War College. She was a wonderful colleague; she seemed to be always smiling. My sincerest condolences, Susan Sweatt Col, USMC (Ret'd)*

“ *Even though I only knew Debbie for a short while, she touched my life with her unselfishness and caring ways. When I was recently diagnosed with cancer, she called me into her office and took me under her wings. Even though what I was going through was nothing compared to her situation, she greeted me every day with "how are you doing?" before I could ask her the same. I admired her and will cherish our talks. Glass family, know that she is well and singing in the Heavenly choir (probably playing on her guitar also)!!*

“ For the last 2 and a half years Debbie's office was across the hall from my cube. I talked to her daily and I would ask how she was doing. Debbie always had such an awesome perspective on life and on her sickness. I remember when she would come into the office shouting that she had received good news from a doctor's appointment. She always had a positive outlook on her situation. I also got to hear her sing while she sat at her desk, songs such as "You Raise me UP" by Josh Groban. She had an awesome voice and I'm sure she will continue to sing in heaven.

“ I Debbie was a beautiful woman inside out. I am blessed and honored to have known her and her family. Debbie was not only a friend but my boss. As a friend, she was a caring, sweet and a wonderful individual, as a mother, she was a loving and dedicated mother to her children. As a Director, she was a well rounded professional, who cared a great deal about the well being of the couriers. I am very sad for her loss, I loved Debbie and I am grateful to God because she was an inspiration of strength and courage and most importantly, she was an inspiration of true love. I am keeping her in my prayers. May Christ comfort her family during this very difficult time and provide them with strength, courage, and faith as they try to deal and understand the loss of such an amazing Mother, wife, friend and woman. Love and many hugs

“ Debbie was such a loving sister, daughter, and mother. I was truly blessed to have had her as my big sister. What a beautiful voice and talented fingers. I know she is singing with the angels, and daddy.
