“Debbie and I met when I came to Virginia Hills Baptist Church. We kept in contact except for the last few months as my time seemed to be taken over by planning for the new church building. She added so much to our congregation.

Debbie was always herself with me and that allowed me to be myself with her. She was always available to me and to my family. She cut our hair when I was unemployed, always stepped up to help at church function and open houses at our home.

I always enjoyed visiting at the house on Franconia Road before she and John moved to Stafford. I appreciated spending time with her mom and John's mom. I was glad to have been able to visit her in Stafford as well and will miss connecting at random times.

I rejoice that she is with family again.

“At one of our meetings/Lunches at Lorton Center, Debby got Addy Wright to bring his Bluegrass band... Debby got up on stage with them and played the washtub bass like a pro. What I'll remember most is how caring she always was and how much she helped me. People like Debby are few and far between. Love, hugs and condolences to her family and friends. We are all blessed to have had her in our lives.

“I remember singing in the choir with Debbie at Virginia Hills Baptist Church. She was always such a special lady. She sang His Eye is on the Sparrow at my dad's funeral and I will never forget that. Now that you are part of the heavenly choir give my dad a hug from me.

Know Debby for 40 years, worked, played, vacationed together for many years. Will miss her phone calls asking if she has told me this. Never shy, never missed a stranger. I've lost one of my best friends. Love you Deb 💕.
