“ I am so sad hear of the loss of your Mother, Wife, Sister and Grandmother. Debbie and I were best friends way back in the early 70's - We used to love spending time together and we had so much fun. I remember how we used to ride our bikes all over Annandale and Springfield - especially to all the shopping centers including the brand new Springfield Mall! We really enjoyed when Brenda and Butch took us to the beach as their baby sitters. In 10th grade my Dad was transferred and moved away. Debbie and I kept in touch for about 20 years then with distance and time we slowly lost track of each other. I am so sad to hear of Debbie's battle and wish I could have been around for her. I loved Debbie and will always remember the wonderful relationship we had over the years. She was a gem and I know she will be deeply missed. My heart goes out to all of you and I pray you will be comforted by your precious memories to help you with her loss.

“ I am sending love and prayers and my deepest condolences to Deb's family. I am sorry I will not be able to be with you for the service. Deb was deeply loved and respected by all her friends and colleagues. I personally will remember the great job she did in organizing the summer work parties and she always made sure my daughter got some kind of medal. May Deb's memory always be a blessing to you all. Sincerely, Randi O'Meara

“ Sarah, Stephanie & Meghan, I am so sorry for the loss of your Mother. She was one of my dearest friends in HS & into our 20's. Although we have not been close in our later years, time & distance make these things difficult sometimes. I loved your Mother. We were familiar faces in each others homes & our group of friends saw each other almost daily. I saw her several years ago & she I & Susan Well-Morris spent a wonderful fun evening together. I have & will continue to cherish the memory.
David, My deepest condolences.
Deb has touched many over her lifetime & will be truly missed. She will continue to be with us in our thoughts & memories.

We both know all too well what you are feeling, and going through. Just remember the love you all shared. A wise person told me something a long time ago, and the words are the truth. “ I never had the chance to spend a lot of time with Debra, but the time spent with her revealed an incredible woman of courage, strength, a mother to the max, an amazing woman, and a whole lot of fun to be around. May your wonderful memories of your wife, mother, and grandmother carry you through this time. Debra, have a blast exploring heaven.
