“ *I'm very sad to hear of Denise's passing. I met both Denise and Dawn over 25 years ago when they attended my Jazzercise Class. They were two of the best dancers. My hope is that her eternity will include dancing. Sincerely, Kathy*

“ *It was with great sadness to learn of Denise's passing. She was so caring and kind to our daughter, Vicki, who suffers with M.S. We love the family, especially her dad, Kenny, at our Good Shepherd Lutheran Church. Our prayers and sympathy go out to Mike and her family. How good it is that all the tears we ever cry are collected by angels.*

“ *So sorry to hear of Denise's passing. Please know that my thoughts are with you Mike, and her family. Denise and I worked together. I remember her as such a hard-working dedicated professional. She always went the extra mile to make the organization the best it could be. Know that she is at peace.*

“ *I regret that I had only just reconnected with Denise. We were in the same catechism class at church and she was my best friend there when we were oh so young. When I learned of her diagnosis, we got back in touch and she was so giving and kind to me. The past year and a half went too quickly and I wish I had more time with her. My deepest sympathy to her family and Mike.*
