“ *This is the first I had heard of Dennis' passing. I was ten years younger and a first cousin; I was always surprised that he would remember me and make sure he'd say hello. I had moved away also and would see Dennis in Skanee when he returned for a summer, most recently at one of the "Bridge Walks". I am so sorry for your loss. He was a good man and seemed so kind and thoughtful.*

“ *It is with deep sorrow we say a farewell to another cousin. We always looked forward to his summer visit to Huron Bay and he will be sadly missed. Our deepest sympathy to his family.*

“ *Debbie, Lisa, and family, I'm very sorry to hear of the passing of your father. Your dad was a good man that was good to everyone. I will always cherish the times we spent at camp and the many fishing trips we went on. Priceless memories. He will be missed.*

“Debbie and Lisa, My wife, Linda, and I are saddened to learn about the death of your dad, and my cousin, Dennis. When Linda and I retired about ten years ago, we purchased a summer cottage on Huron Bay not far from your dad's place. We had him over for dinner once or twice each summer. We had many good times swapping stories. Dennis would always drink his beloved Stroh's beer. We also saw him several times each year at Gary and Dar's cottage and Donnie and Priscilla's house. I liked to "yank your dad's chain" about politics, particularly about the Bill O'Reilly and Shawn Hannity shows on the Fox News Network. In reality, I am almost as conservative as he was, but I would always argue to the contrary. I last saw him last October when he was getting over a bout of pneumonia. We could tell that your dad had not been feeling well in recent years. Yet, his death is a shock to us. We will miss him very much. Our condolences,

“My sincerest condolences to everyone in the family. I am still quite shocked of Dennis' passing. I know how difficult a time this is for loved ones, but please take peace in knowing Dennis is at rest in a great place. This is a time of much sadness and pain for us all, especially for Lisa and Debbie, but I can tell you that peace will find you during this most difficult time. Dennis was a terrific uncle and just one heck of a great guy. I will always remember the summer vacations he spent up here and the times we spent together fishing at camp. The stories he told of growing up here. We were buds. I remember us taking rides in my dad's old Ford Model A around Skanee. We spent alot of time fishing up on the Huron river where he grew up. He was a part of our lives and I will never forget the good times and laughs we all shared. I type this all with tears in my eyes remembering all the fun we had. Farewell for now Dennis, you will be missed but never forgotten. Donny
