“ *The faithful man Job asked “If a man dies, can he live again?” Job 14:15 gives the reply: “You will call, and I will answer you. You will long for the work of your hands.” Yes, God promises to bring the dead back to life on earth. The resurrection is a reality! (John 11:14-44). Now picture the reunions as you loved ones hold your dear Dexter again. May your hearts find comfort in the wonderful hope found in the Bible, your family, loving friends and fond memories.*
