“ I was very sad to learn of Dodie’s passing. I had worked with Dodie over 20 years while we were with DCAA, a DOD organization She was a wonderful secretary with full attention on the tasks at hand. These traits along with her other skill sets enabled her to move from Branch secretary to Division Secretary to Administrative Assistant in the office of the Assistant Director. It wasn’t long before she was promoted to the top administrative position in that office. One of her most valuable assets was her ability to interact with everyone she met in the most positive way. Because of this trait, she often defused organizational issues before they were brought to the attention of her bosses. She will be missed by all who knew her. Our deepest sympathy are extended to Cassie, Daniel, her grandchildren and her other relatives.
Sincerely,
Ed & Dottie Migliore

“ My dear friend Dodie will be deeply missed. Her smile in this picture says it all. In a world with so many sorrows she could always make me burst out laughing. My heart is broken.
