“ Don – you were an amazing person and had such a remarkable life. Roger, our kids and I feel so lucky to have been welcomed when Kathy first introduced us. She brought us to your family Thanksgiving like we were little strays :-) and you and Grandma Emily just scooted things around and said “take a seat.” That was 20 years ago – and since then we’ve camped, cruised, and had backyard barbecues that will always be some of our most cherished memories. My children grew up calling you “Papap” with you and Grandma attending some of their games, graduations and weddings as if they were your own grandchildren. You have been the perfect role model of a husband, father, provider. To say you will be missed is truly an understatement. You are forever in our hearts - Roger & Deneb Friedt

“ Although I only met Mr. Krause once, I could see how proud he was of his daughter Barb, who I work with. He has every right to be a proud Dad, as she also has dedicated her career to public safety. This bond is forever. May he find his eternal peace and rest for a great job done while he was on earth.

Barb,
Our thoughts and prayers are with you and your family, not only during this difficult time, but always. Your DFR and FMO Family will be here for you.

Sweetest Sunrise Bouquet - July 11, 2018 at 12:00 AM

“ Many years ago I had the pleasure of going on a camping trip with Linda and her family. I met her wonderful mom and dad at that time. We sat around a campfire telling jokes and laughing most the night. My daughter, Buffy and I had the best time and were so grateful to have been invited, meeting such great people.
