“ *I knew Don since he was very young. He was a good friend. I enjoyed many good time s with his parents and siblings. Many blessings to Theresa, Rachel, and Julia. Rip Donnie. PAT OLIVER.*

“ *I have know Don for the past 12 years. The best memory I have of him is when we had a horrible storm come through when I lived in Kingstowne and a large tree came down on my convertible car. I know he was not working because of the bad storm, but as soon as I called him, he took the time to come to my house personally to help remove the tree off my car. He always had a smile and a happy greeting anytime I saw him or his family. He also loved to share pictures of his daughters and Theresa on his cell phone. He truly loved his family. I was blessed to have him as a friend and to have him work for our company Wilkinson Property Management over the past 10 years. He was always a man of his word, He will be missed.*

“ Theresa and Girls: Every life leaves a trail of beautiful memories. I'm thinking of each of you and hoping you find comfort in the memories of your husband and Dad. "Donnie Baseball" was one of the first 'friends' I met in Kingstowne over 17 years ago and I know that I am going to miss him a lot longer than I knew him. Love to you all.
