“ I worked many a day with Don, and it was always so much fun. I rode in a car with him many times, and then worked many a day with him at the courthouse. He was not only a wonderful asset to the job and the community, but someone who always helped to make everything more enjoyable. He will truly be missed. Prayers and comfort for his family.

“ Don was a great guy. I am so sorry to hear of his passing. I worked with Don at the Sheriffs Office for many years. He was always fun to work with and never let an opportunity to pass without cracking a joke or pulling a joke on you. To the family, I hope you know he was liked and loved by many he came in contact with. My family and I will continue to pray for him and his family. He will truly be missed.
