“ *Missing another Hybla Valley neighbor.*

March 30, 2016 at 12:00 AM

“ Donna (LULU) -- you, Belinda and I were inseparable when we were growing up in Hybla Valley, and I am so glad that we never lost touch -- even if it was just our yearly Christmas card update! I have such fond memories of our antics, especially in the teenage years! LOL! I know you and Belinda are in Heaven having fun without me - - but I will join you two someday -- so save me a seat! Love you and will miss you lots, Witchy Woman!

“ Going to miss you terribly, you were absolutely one of my favorite people in this world to talk to. You never judged or ridiculed when we talk, you were always so optimistic and hopeful!! Loved this about you!
