“ *Just learned of Mrs. Overton's death today. I am so sorry for the loss and send my sympathy to her family. I spent time with Mrs. Overton after Bob died . We shared lunches once a week and I often took her grocery shopping. I loved her humor and wit. Such a sweet sweet lady. When I moved out of state I would call her during baseball season so she could share her thoughts on the National's season.*

*I so enjoyed the time I was able to share with her and will miss .*

*Mrs Overton was a wonderful lady. I grew up in the house directly across the street from her. I was able to visit with her a couple of years ago (before covid). I loved her memory and how she got me up to date on the neighborhood.*

*A life well lived. Beautiful daughter of Christ.*
