“ *Tom and Barbara Boyce send our memories of your wonderful parents who helped us put our koi pond in working order. They were great friends of ours for many years. We are sorry to know they are both gone but certainly not forgotten. Our prayers to the family and particularly Susan. Susan you chose a most delightful picture of your Mom to put in the paper. I feel like we could talk to her. Will you please let us know when Doris will be placed next to Chuck in Arlington, we would like to attend the service.*
