“ *Doris, the memory you leave with us is one of a wonderful loving lady. In the many years I have known you, I never heard you utter a harsh word. We were enriched by having been in your presence and are thankful for the role model you exemplified. You will be sorely missed. Thank you for all your love and thoughtfulness.*

“ I love you Nanny. I will miss you more than I can put into words. I can still feel the feeling of sitting in your lap, having you rub my back even at 36 years old. There are somethings I won't ever grow out of. You are one very special lady. I am honored to have you as my grandmother and to have known you my entire life. I miss you and love you terribly. The thought of not seeing your beautiful smile again kills me, but I know you are now in a pain free peaceful place, more than likely telling everyone how it should be done :) I swear I can hear you saying...'Oh Sam'!!! Rest Peacefull Nanna. Frances
