“ *She was a loving Grandma and was always to interested in our lives. She always made sure to tell us how proud she was. I'm going to miss our tradition of going out to lunch. I love you, Grandma.*

“ *She was the best grandmother I could have asked for she always made me smile. If she knew I had a soccer game or football game she would always call and ask how it went and asked me how I played. If I said not that good she would always stay positive and said there's always next game just keep working hard. But the one thing that I will miss the most is our Christmas tradition where we would always go to TJ Max's and shop for Christmas presents. I'm gonna miss going to Moe's and having lunch with you. I'm gonna miss you so much grandma I love you.*

“ *As a child, I have many memories with Aunt Doris Ann. On our family trips to Washington D.C. every year, Doris Ann and the whole family would gather around Grandma Sadie's kitchen table, play cards and just laugh the entire time. She was a cheerful, fun-loving lady who was full of life that could make everyone around smile. Here are a few photos I have attached to remember the times some of us shared together. Remembering her wonderful and gentle soul will forever remain in our hearts. My heartfelt condolences and love go out to you Uncle Frank and your entire family. May she rest in peace and watch over us all.*

“Moms are definitely a gift from God. They carry us for nine months, deliver us despite the incredible pain, nurture us physically, mentally and spiritually. They sacrifice,, protect, support, listen, give advise and give unconditional love. My mom was all these things and more- she was always concerned about others despite her pain and illnesses. I could ALWAYS count on her to listen , give advise, and love. She helped comfort me and support me through many times in my life. Now who will I call all the time just to chat or ask for their opinion or call for support? She might have been my mom, but she was my friend- mom I will miss you more than any words can express and thank you for every single thing you ever did for me. I could always count on you . I'm so glad calls to heaven are free because I'll be calling you there just as much I did when you were here! Also, to my dad - I know you aren't big on talking on the phone, but guess what- mom just passed the baton to you. One last thing is that she lived for her grandchildren and they were the joy of her life- she was proud of them and would have moved heaven and earth for them- she was the best! I love you mom and will miss you dearly everyday of my life!
