“ *Very special people enter our lives for very special reasons! Ed was a very special person to me and to all who he touched. A true American warrior both in and out of the uniforms he wore he was a beacon of integrity, service and excellence! Scripture tells us that there is a time for everything, we have all spent quality time as Ed was in our lives...eternal rest to him as he sits with all who watch over us every day!!*

“ Dear Therese, Eddy, William, Rena and Laura: We are so very sorry for your loss. Ed was much beloved by everyone he came in contact with here at Piper Hobby. All of his modelling mates will miss his humor, fun and love for all of us. Ed helped to save Piper Hobby when Bill was so sick in 2003. Ed was an extraordinary person! He was generous with his knowledge, skills and most especially his heart.
