“ *I was preparing Christmas greetings the other day and did not find an updated address for Alma and Ed. Searched, and found this Obituary. Was sorry to read about Ed's passing, he was admired and looked up to very much by a young (now old!) "Frank" especially back in the early days. I'll never forget how, one Fall when they were visiting, he and several of the family went out to the woods behind the house in MA. HE had an old 22 rifle ... I happened to step near a pheasant . and, shooting from the hip, Ed brought it down My hero! Ans an Impressive dinner! Ed, a Solid citizen. He and Alma, Loved cousins. Frank*
