“ *We are very saddened to hear about the passing of Eileen. Although we have only met on two occasions, we will always remember the good memories fun and laughter that we all had shared .  
It's a very sad and emotional time for all.May God give you the strength and the faith to move on  
I so believe in believing and I do believe Eileen is at rest. 🌹 To my cousin Thalia, they are now together once again ❤️ May God Bless  
You All

“ Grandma was such a special lady. She loved her family with her whole being. The glimmer in her eyes when she saw her grandson, and later her great-grandson, was enough to make anyone smile. She accepted me into her family with open arms and kindness, always making me feel welcome. She was thoughtful, funny, and honest. Always ending conversations with, "I say a prayer for you every night," she was a devout Catholic who has certainly earned a special place in heaven, as she did in our hearts. Until we meet again.....Emily

“ If roses grow in heaven Lord, please pick a bunch for me. Place them in My Mother's arms and tell her they're from me. Tell her that I love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Remembering her is easy, I do it every day, but there's an ache within my heart that will never go away. With Love, Hugs, and Kisses Beyond the Moon and Stars,  
Barbara Jean
