“ *I'm truly sorry for your loss. I know what a difficult time this is for you. Keeping in mind and meditating on God's promises for the future can bring much comfort. Job 14:14,15 says "If a man dies, can he live again? I will wait all the days of my compulsory service Until my relief comes. You will call, and I will answer you. You will long for the work of your hands." Yes God longs to see his beloved servants again, alive and healthy. He has made this prospect possible by means of his Son Thinking about this can comfort us now.*

Candle of Memories - January 26, 2018 at 12:00 AM

“ My sincerest condolences to my friend and colleague Kirk B. Hager and family. Ike and Audrey were like my parents too. I am so grateful to their introduction by you and the good times we have shared over the years. Ike has always been a giving and generous man to causes for his community. He was most often anonymous not seeking recognition but giving because of his caring for mankind. He was a great role model for citizenry. He will be missed. My only joy is knowing he is with God and the love of his life, Audrey.

“ Psalms 90:10 says “Seventy is the sum of our years, or eighty, if we are strong.” Mr. Hager’s strength lasted 88 years. Yet that does not compare to eternal life promised at John 3:16. God gave Jesus the authority to heal the sick and power to raise the dead. (Luke 5:12, 13; John 11:39-44) Millions will be raised from death, providing them with a prospect to live forever.
