“ Bill, Sorry to hear about your Mom. I will always remember her exceptionally pleasant welcome each time I came over to Marshall Ave. to visit you. She never missed offering us something to eat and was even very fair and classy on those (few) occasions when she had to shape us up. Hope she never knew we climbed the water tower behind your house, anyway. You are in my thoughts.

“ Dear Bill & Maxine, My thoughts and prayers are with you and your families during this time. Betty will be dearly missed. Larry and I really enjoyed the many lunches we shared with you and Betty. She was a good hearted lady and fun to be around. She sparkled every time we saw her. Please know she's in a good place now where she no longer has to suffer the pains and sicknesses of this life. Respectfully, Debbie Lipscomb

“ Betty was a very special lady from a family of exceptional people. It was a privilege to know her and be in her presence when we were able to visit her too infrequently. She graced this earth for too short a period of time; even 97 years wasn't enough. My condolences to the family remaining.
