“ *Mary, Gene and Kimberly, We lost our mother almost two years ago and the heartbreak never goes away. We are never ready to say goodbye to our moms. I know that you three are hurting and missing her. She will always be there inside your heart. She loved each of you and will now love you in her new way. She'll be in the wind, the flowers she planted and nearby always. I am aware of my mom's presence every day. I know they are enjoying a reunion in heaven... Take good care of yourselves. Sending you each a hug with fond memories of a fine lady and childhood times together....*
