“ *Paula, Anna, John, We were so sad to hear about your mom. She was a dear and very funny lady. I have so many fond memories of her. Your family was such a huge part of my childhood! And living across the street from you was a highlight of my life. I'm so glad I got to see her this past summer. She looked great and was still making jokes with me that I should have married John Pope! May you find comfort in the memories of your mom. With love and fondness, Sharon Walthall Ortiz*
