“ *I met Ann only a time or two but worked with Brenda for years. Through that time I felt that I came to know Ann as Brenda talked often -- and lovingly -- of her. She was clearly a loving, Christian woman. She will be sorely missed by all who knew her. Your hearts are heavy now but take comfort in knowing she is now reunited with her loved ones who have on before her. You are in my thoughts and prayer and have my deepest sympathy.*

“ *I have counted Ann as a good friend since 1985. She always chose to be jovial and brought laughter to many a conversation. Ann shared her faith openly and was especially thankful for her Pastor, Dr. Upshaw. Please accept our heartfelt condolences and know that our thoughts and prayers are with you.*

“ *Ann was loved dearly by her family and friends, and it was my pleasure to have known her. Her Christian life made her a loving and caring person to everyone, and she is now enjoying her reward with God. She will truly be missed.*

“ Dear Family, Our thoughts and prayers go out to all. My Aunt Ann will be remembered by all of those fond childhood moments that we had growing up. The Brann family and ours spent a lot of precious time together and we had a lot of great times that I will always cherish. To Themla, oh how my heart goes out to you. Our thoughts and prayers are with you and your family. As you know, both of your parents were special to me and I know how hard it is to lose them. Just know that there are still people in your life that love you and are there for you. With deepest sympathy, Brenda and Jeff
