“ *Mr. Smith was a man of inspiration an admiration to me. I am glad to have met him while he was here in the flesh. In his honorable legacy, he leaves us with a great family and good friends. I like to think of this song when I think of Mr. Smith in these days and times. (The Unclouded Day Lyrics : Don Henley / Willie Nelson) - O they tell me of a home far beyond the skies. O they tell me of a home far away. O they tell me of tell me of a home where no storm clouds rise. O they tell me of an unclouded day... I know that in spirit you remain with all of us. God bless you Mr. Smith.*
