“ *Jim, my prayers and condolences are sincerely with you and your family. Having experienced this portion of life's journey last year, I know the pain you are experiencing, and would like to offer these words of comfort:"God understands your pain and He is near to help you go through it!" He did it for me and my family and He is not a respecter of persons, He will do the same for all of you. My prayer is that the Lord will envelop you and your family in His sweet comfort,peace and strength that only He alone can provide.*
