“ *Dear Mr Henson We extend our deepest sympathy to you and your family. Mrs. Henson will always have a special place in our hearts. Being your neighbor for 3 years was a highlight of living in Virginia. I loved trading treats with her across our back deck and talking flowers in the front yard. And nobody holds a candle to her cheesecake!! She will be missed. All our love, Jim, Pam, Victoria and James*

“ *Dear Bob and Family, We send you our heartfelt thoughts and sympathies on the passing of Elsa. I remember her fondly as I walked our dog in the neighborhood and how fondly she was tending her garden. Her loving presence will be missed. Blessings to you all. Scilla and Taylor Adams*

“ Dear Bob, Dave and I are so sorry for your loss. Else was a very, very special lady and became quick friends with everyone she met. We have worried about her and missed her so much these last few months, but we did understand she wanted her privacy and we respected that. I will miss those mornings watering my flowers when she would walk down and chat and advise me on how to take care of various plants. She picked more weeds out of my yard than I did! But she loved working around flowers and it was always evident as you and Else had the prettiest yard in the neighborhood. I will miss her very much. I am so sorry. Please call if you need anything. Dave and I can help you with whatever needs to be done. Please take good care of yourself. Sincerely, Rebecca Francis
