“ *We are so saddened by your Mom's passing she was a kind and gentle woman. We will always have fond memories of your parents visit to Maine, the harbor cruise, lunch at the lobster shack at two lights. She was so funny as she and your dad went back and forth that day.*

Cindy and I are thankful we were able to see her at Kathy's birthday party one last time. Your family are in our thoughts.

Cindy and I are thankful that we were able to see her at Kathy's birthday party one last time. You and your family are in our thoughts.

“ I have lots of fond memories with Mrs. Krause starting in elementary school when she was our cafeteria lady at lunch and monitored our behavior. Students who were bad had to sit at the middle table to eat alone. It didn't matter how many times I got in trouble at lunch she never held it against me when Barbie and I would hang out after school.

Although I may have been a Troublemaker she still welcomed me into her home. She was truly one of the sweetest and funniest people I ever knew.

I would say, "Rest in Peace" but I know she already is.

My everything goes out to her family and my love to Barbie.

“ My favorite memories of my aunt Emily is she always referred her and I as the cryers in the family because at every family reunion or when we would visit when it came time to leave I would always cry. She would tell me not to cry or she would start crying and most of the time she did. I always loved our time together. Aunt Emily you are truly missed. Love you and enjoy paradise with the rest of the family. Till we meet again. I love you. Angela Johns

It's been a while, but I remember Emily and Don, along with the rest of the family as being great neighbors across the street. They were always great to talk to and to get together with. I shall cherish some great times and memories of the whole family. My sincere sympathy and prayers go to all the family members. May your memories and love for Emily and Don be everlasting. They are together again and for always.
