

Eric Michael Walter

May 25, 1990 - May 4, 2023

Eric Michael Walter, 32, passed away in Denali National Park, AK on Thursday, May 4, 2023.

Eric was the cherished son of James Walter and the late Debra Kaderabek-Walter; beloved brother of Jessica Homa (Scott), Jonathan Walter (Maureen) and Adam Walter; uncle of 9. He will be dearly missed by his family and many friends.

Eric was born May 25, 1990, in Washington, DC. He graduated in 2012 from the University of Maryland where he studied environmental science. An Eagle Scout, Eric loved the outdoors and found his passion and career align with the National Park Service in Denali National Park & Preserve. From his first summer in Alaska in 2011, Eric fell in love with the rugged mountains and wide-open spaces. A committed outdoor adventurer, he explored the state with his beloved husky, Fin. Eric was an avid backcountry skier, snowmachiner, and whitewater boater. His enthusiasm for the outdoors was contagious, and he enjoyed teaching others how to get out and have fun in every season. Eric was known for his fabulous cooking and baking, and amazing coffee, which he would give away out the kitchen window to friends and neighbors. His work for the National Park Service stemmed from his strong belief that wild places deserve to be celebrated and protected.

“ Eric was living my dream. I thought I had decent outdoor even wilderness skills. I do but they are 3 season only. On winter Alaskan vacations 2021 and 2022 he allowed me to experience the backcountry he knew and loved so much. He was absolutely comfortable and supremely knowledgeable. His joy in nature was so evident. I'm grateful for the memories that I'll cherish to my last days.

I'm saddened that we lost him so young and I grieve with his family and friends.
