“ *Dear Erika, I am blessed to have had you for my sister, who was always there for me. I feel kind of alone now. I will miss our daily phone calls. Who am I going to talk to now and reminisce about our life and times in Germany and about places and friends and relatives over there and things that happened in our past. In spirit you will always be with me. I love you and miss you very much. Auf Wiedersehn. Your sister Waltraud.*
