“ I was deeply sorry when I heard of your loss. Esmeralda was a wonderful, loving, caring friend who always did more than was expected of her. She made this world a better place for me and for all the people who knew her. She always made you feel welcome and I will miss her greatly.

“ Death leaves us a heartache no one can heal; love leaves a memory no one can steal. Words will seem meaningless so please know that we're thinking of you constantly, you have our deepest sympathies. May you find comfort in loving memories, strength in the support of those who care and hope in each new day. Love is a bond that death cannot part. Gone from our arms, but still held in our heart.
