“ Phyllis We all have fond memories and pictures of our gatherings at Chesterfield and the many occasions before that where we mixed good times with bad golf and cheap poker. Gene and you were a centerpiece of each of those events. We will miss him greatly. Bill

“ Gene was never a quitter and always upbeat and lots of great stories to tell. It is an encouragement to us all to have seen Gene disregard his physical ailments to play golf with us in Chesterfield. His resolve to participate in those golf outings with his long time friends speaks loads about his character and strength. It is my pleasure to have known Gene for over thirty years.....
